

ABOUT US

MARKETSPACE

Vendor Events is a network of more than 1,500 craft artisans, vintage peddlers, and small business creators. We offer a range of market styles from finely curated to lighthearted themes. We bring the market to you and can tailor to your specifications.

FAMILY BUSINESS

Since 2017, The Kraemer Family has taken their experience as craft artisans and love of family-friendly events to create a new platform for marketing small businesses.

PARTNERSHIP

With an established vendor network and social media presence, we are excited to bring our pop-up market concept, marketing, and foot traffic to you. There is no cost for our service!

Marketspace will:

Design a market concept tailored to your specific requests for number of vendors, location, and style.

Recruit craft artisans, vintage peddlers, and artists starting with the local area.

Create social media and advertising campaigns around the event.

Manage all event-day logistics from set-up to break-down and oversee the market throughout its entirety.
